Fixed Rate Mortgages

If you are worried about the interest rates changing, then guaranteeing your monthly payments could make sense. With a Fixed Rate Mortgage you can relax because you'll know exactly what your repayments will be every month, for your chosen product's fixed term. The rate of interest is set for the duration of your fixed rate mortgage term, allowing you to plan your finances. It is possible that variable rates may fall below the fixed rate during the fixed rate period. A range of short and medium term fixed rate mortgages are available with various rates as shown in the tables below:

Lifetime Tracker Mortgages

A Lifetime Tracker Rate Mortgage is a variable rate mortgage that tracks the Bank of England Base Rate. Whenever the Base Rate changes the interest rate set or your mortgage tracks the change. So, you pay more when the Base Rate goes up and less if it goes down. The interest rate will be amended on your account from the 1st of the month following any Bank of England's Base Rate change.

***If BBR falls below 0.50% the initial rate will continue to be charged at 0.50% + product initial rate loading**

Representative example

A mortgage of £59,772.44 payable over 13 years & 7 months initially on a fixed rate for 2 years at 4.75% and then on our current variable rate of 6.62% (variable) for the remaining 11 years & 7 months would require 24 monthly payments of £498.34 followed by 139 monthly payments of £549.02. The total amount payable would be £88,323.42 made up of the loan amount plus interest (£28,500.98) and a title management fee of £50.

The overall cost for comparison is 6.2% APRC representative.

Early Repayment Charges

During the early repayment charge period, overpayments can be made up to 10% of the outstanding mortgage balance on last anniversary or account open date without incurring an early repayment charge. Overpayment payments that exceed 10% of the outstanding mortgage balance on anniversary or account open date within any contractual year will incur an early repayment charge.

Service Options

When reviewing your mortgage we can offer you two service options:

- Advised Service - this is when we collect information about your personal circumstances so that we can recommend a mortgage that is suitable for you
- Execution Only Service - this means you will be responsible for making your own choice of product; we will not give any advice, assess the suitability of, or recommend any new product to you. This means you will not benefit from the regulatory protection you would get from receiving advice.

Product Fees

Please see the rate tables for the Product Fee Options applicable.

Option 1

There is no Product fee.

Option 2

A Product fee of £749 is payable on fixed rates.

A Product fee of £999 is payable on tracker products.

Adding fees to your loan

If you choose any of the above mortgages, we offer the option to add the Product fee to your loan, up to a maximum advance of 90% of the current value of the property or the limitations of individual products. This means that when you apply for your mortgage, you don't have to pay these fees up front. Instead you could add them to your mortgage amount and pay them off over the mortgage term.

Please remember that this will be treated as part of the loan and you will therefore pay interest on the additional amount over the full mortgage term.

Please note that all of our mortgages are strictly limited offers which may be withdrawn at any time, without notice. However, the mortgage you choose will be reserved for you for 6 months once your application has been received, along with any applicable fee. Until your application has been received, the mortgage cannot be reserved for you. So, if you're interested in a particular offer, please talk to a member of staff as soon as possible.
